SENATOR WICKERSHAM: Thank you, Mr. President. Again, I want to make clear that even though there will be an A bill that trails, at least it's my understanding that the A bill is not required by LB 86 itself. I will again assert that I think the A bill funds an initiative in the Auditor's Office that is entirely appropriate and would eventually save us money, effort, and provide greater information to this body and other persons that are interested in local governments. When the A bill comes up I hope you'll support that as well. And, if I'm misstating the fact that the A bill is in fact required by the provisions of LB 86, I'll be happy to correct that. But LB 86, again, makes a number of, I think, beneficial changes in the budgeting area, in the provision for electronic transfers and other proposals. So, if you'll adopt the committee amendments and we can move on, I think it does a number of good things.

SENATOR CUDABACK: Thank you, Senator Schimek...or Wickersham. You've heard the closing on the committee amendments. All those in favor vote aye, all those opposed nay. Record, Mr. Clerk.

CLERK: 30 ayes, 0 nays, Mr. President, on the adoption of committee amendments.

SENATOR CUDABACK: The committee amendments are adopted to LB 806 (sic). Senator Wickersham, you are recognized. Senator Wickersham waives. He's waiving.
